

SENIOR APPLICATION SPECIALIST

# ALAN JOHNSON

## SKILLS

- Autodesk Gold Certified Instructor
- Revit Structural Design Certified Professional
- Revit Structure training
- Revit Architecture training
- Revit Beyond the Basics training
- Revit Content Creation training
- Navisworks training
- AutoCAD Essentials training

## ABOUT

*Alan is an Autodesk Gold Certified Instructor with over 12 years' experience in software training.*

*Before becoming a consultant, he worked in and around the construction industry for over 25 years. Originally a drawing board trained draughtsman, then moved to AutoCAD in the mid 90's, with experience as an architectural technician, a structural technician and even working in demolition.*

*Alan now delivers training for Revit Structure, Revit Architecture, Revit Family Creation, and Navisworks.*
